

Action Learning Systems, Inc.

California HSP Math

SB 472 Professional Development
for Teachers (Grades K–6)

Action Learning Systems is a leader in providing exceptional professional development for State Board of Education instructional materials in mathematics.

ALS provides an interactive, five-day (40 hour) institute for elementary school mathematics teachers in the implementation of California HSP Math. This informative training is designed to support fidelity of implementation and to ensure student mastery of grade-level content standards through highly engaged instruction in the classroom.
